With over 120 years' of experience, here at Bacons Engineering we really have been through the wars - in every sense.

Following lots of customer requests, we're now pleased to launch our brand new line of COVID-19 compliant hygiene products - created to help businesses get back on their feet safely.

Additionally, we're also able to create bespoke engineering solutions to provide peace of mind to any industry, large or small, to help you welcome your customers back again. Call us today, find out how we can help.

*Kick-plates and Footprints
for hygienic door opening*
